To
Afrikisol Industrie Sarl
Mr. Wafa Dhifi
Zone Industrielle Menzel Abderrahmen
TN - 7035 Bizerte

Dear Mr. Dhifi,

The first step in the process to become a fully qualified supplier to the ABB group has been passed successfully by issuing the Supplier Company Qualification. In short it means that your company fulfils the basic requirements to become a supplier to ABB.

Our purchasing and operations department will now engage with you to perform specific, project related RFQs. Please always refer to your vendor ID at ABB: G11986465.

Being accepted as a qualified supplier to ABB sets high expectations on both quality and delivery standards and of continuous improvement in both process and service performance.

Should you have any questions or need additional support, please contact us directly.

Sincerely,

Tobias Ohlenholz
Head of Procurement & Logistics
